EXPLANATION OF PART A - CIVILIAN OR PRIVATE CEMETERY

1. When the remains are delivered for interment in a civilian or private cemetery, you are responsible for paying all interment expenses. In this connection, you are entitled to the allowance mentioned in paragraph 2 below.
2. An amount not to exceed \$75 is allowed by the government toward actual interment expenses when final interment of the remains is in a private or civilian cemetery. No allowance is authorized toward interment expenses when interment is in a national or post cemetery.
3. The \$75 maximum allowance by the government toward interment expenses includes but is not limited to the payment of one or more of the following items: hearse hire from the railroad station to your home, the funeral home, church, cemetery, or any other place designated by you; vault; church services; newspaper notices; transportation for friends and relatives to and from cemetery; and the services of a funeral director.
4. Reimbursement by the government is made only to the person who paid from his personal funds the expenses of or incident to interment in a private or civilian cemetery. Receipted bills are not required to accompany this form. Any expenses over and above the \$75 maximum must be borne by the person who incurred or paid the additional expenses.

EXPLANATION OF PART B - NATIONAL OR POST CEMETERY

1. When the remains are delivered to you at government expense prior to burial in a national or post cemetery, you are responsible for all additional expenses necessary to deliver the remains from that point to the national or post cemetery grave site. However, you may be entitled to an allowance for the cost of transporting the remains from your home to the national or post cemetery grave site subject to the conditions outlined in paragraph 2, below.
2. Reimbursement of transportation expenses is allowed only when the cost to the government to deliver the remains to you is LESS than what it would have cost the government to deliver the remains direct to the national or post cemetery of final interment. However, the amount which you may be allowed (the difference between cost of delivery to you and cost of delivery by the government direct to the national or post cemetery) may not exceed the amount actually expended by you to deliver the remains to the cemetery grave site. WHETHER OR NOT YOU WILL BE GRANTED AN ALLOWANCE IS DEPENDENT UPON AN AUDIT OF THIS REQUEST. IN ANY EVENT YOU WILL BE NOTIFIED OF ANY ALLOWANCE DUE YOU BY THE OFFICE TO WHICH THIS FORM IS SENT.
3. Reimbursement by the government will be made only to the person who paid from his personal funds for transporting the remains to the national or post cemetery grave site.
4. No interment expense allowance is authorized since interment is made ultimately in a national or post cemetery.

20 May 1947

Mr. H. Emerson Moore
614 West 13th Street
New Castle, Delaware

Dear Mr. Moore:

Reference is made to the "Letter of Inquiry - Disposition of Remains" sent to you about 45 days ago, requesting you to complete and mail the "Request for Disposition of Remains" form.

Since no reply has been received, you are again respectfully urged to return this completed form at the earliest possible date in order to avoid any unnecessary delay in the final disposition of the remains of your loved one.

Due to the tremendous amount of work involved in carrying out final burial arrangements for all of the deceased Americans of World War II, this program must proceed cemetery by cemetery in each area of the world.

The cemetery in which the remains of your loved one are buried is expected to be evacuated in the near future. In the absence of any reply from you by that time, the Government will assume that you have no objection to the final burial of the deceased in a permanent American Military Cemetery Overseas.

Sincerely,

G. A. HORKAN
Brigadier General, QMC
Chief, Memorial Division

Dear Mr. Moore:

The people of the United States, through the Congress have authorized the disinterment and final burial of the heroic dead of World War II. Here, assured of continuous care, now rest the remains of a few of those heroic dead who fell together in the service of our country.

Address Reply To
THE QUARTERMASTER GENERAL

Mrs. Gertrude Moore,
Betterton, Maryland.

Dear Mrs. Moore:

Acknowledgment is made of your letter of 27 June 1944, requesting information relative to the location of the grave and return to the United States for interment of the remains of the late Corporal James A. Moore.

The official records of this office show that the remains of your son have been temporarily interred in the Cambridge American Military Cemetery, Cambridge, England, Plot C, Row 10, Grave 6, with Protestant burial services conducted at the grave by an Army Chaplain. A temporary marker with an appropriate inscription thereon, has been erected, and the grave properly recorded. The cemetery is well cared for and under immediate supervision of our military authorities.

A notation has been made on the official records of this office that it is your desire to have the remains of your son returned to the United States for final interment after the war, if possible. At the proper time the legal next of kin will be requested to advise this office of the desired place of final shipment of the remains. Steps will be taken at that time to prepare and ship the remains to the place thus designated. The expense incident thereto will be borne by the Government.

Please accept my heartfelt sympathy and condolence in the loss of your son, and may the meager information which I have furnished be of some comfort in your hour of sorrow.

For The Quartermaster General:

Sincerely yours,

MAYO A. DARLING,
