

384th BOMB GROUP INC.

P.O. BOX 766
WALL STREET STATION
NEW YORK, N.Y. 10005

December 1979

NEWSLETTER

7th REUNION. Dayton, Ohio is the target for July 31st through August 3rd in 1980 . . . and that now seems to be just around the corner! The next Newsletter will have details, but for now, mark your 1980 calendar now.

NEW ADDRESS. Please direct all of your mail as of January 1st to the Group's new mailing address:

P.O. Box 1021-A, Rahway, NJ 07065

The old address will be retained until all stationery has been depleted that bears it.

DUES DUE. Remember, dues are tax deductible. Current dues are \$12 for the period August 1, 1979 through July 31, 1980.

INFORMATION REQUEST. The local Library Service in Northamptonshire, England, has asked Mike Gibson to prepare a book on aviation in the county. Mike needs data on the aircraft named on the following list. If you can help him, please write to him with information about: squadron allocations, code letters, pilot names, camera and radio fittings, serial numbers, formation plans, etc. Photos, orders or other data would be useful (all material sent to Mike will be returned). Address him at 49 Meadow View, Higham Ferrers, Wellingborough, Northants, England.

The suffix letters are detail gathered from photos. The F models were the early ships, with no chin turrets. G-OD is the chin turret model in olive drab finish and G indicates a chin turret ship in natural metal finish.

YOUR ADDRESS. It is very important that you keep us up-to-date on your whereabouts. If you move, tell us. A correct mailing list saves us money and keeps you from being disappointed!

REUNION PUBLICITY. Please give some thought as to how you might publicize the Seventh Reunion. Why? Because it helps us to reach men who don't know that we exist and who, experience has now shown, are out there . . . check your card lists, too, for addresses.

Quite a few names were used on more than one aircraft, due to losses, such as Damn Yankee. In some cases this is indicated by suffix II or III painted on the aircraft, but very often this was not done.

Aces and Ates
Bermondsey
Barfly Bessie
Baby Mine
Bad Penny
Battle Loss
Blue Weeny
Bump
Big Gas Bird G-OD
